

# Wainuiomata Trail Project

## Towai Traverse working bees

Towai Traverse is a new track going from the top of the Spoonhill track to the ECNZ 4wd track just south of the northern most peak of Towai.

Working bees will run every second Sunday from 10:00am to 2:00pm. Tools and a light lunch will be provided. We recommend you bring some gloves, warm clothing and a drink.

### Upcoming working bees

18 July  
1 August  
15 August  
29 August  
12 September  
26 September

We will be working north from the Spoonhill, we hope to see you there. Cancellations will be posted on VORB, see our web site for the link.
